

From the Directors:

We are three weeks from opening the show. All actors, young and old, need to have their **lines memorized at this point**. Everyone also needs to be practicing the songs. Music is posted on the website under the Willy Wonka Cast button. Please download to your i-pod or home computer and start singing! There are many things to remember at the same time. Practice will make the lyrics become automatic.

Also, we have attached an updated rehearsal calendar. Beginning Monday (7/13) we will have rehearsals every day. We will begin at 6 pm vs. 6:30 starting next week and go until 10 pm. Please pack snacks for your children if needed. The all day rehearsal is on July 18th. The cast will be fed at this rehearsal.

Please review the calendar carefully. If you have any questions, please contact Sarah Meiburg.

Enter through Front Doors:

Please enter the building through the main doors of the school this week as the black box will be occupied by the children's show cast and Mr. Monk.

Ushers Needed:

Volunteers are needed as ushers for the eight shows. This is a very easy job, and you'll probably be at the performances anyway. Please sign up at the box office during rehearsals. Direct questions to Renee at rolo@cox.net

Thanks and have a great week!
