### **IMPORTANT NOTES FOR ACTORS/TECHNICAL SUPPORT**

Please review the attached directors notes before you come to rehearsal tonight if at all possible. They will also be posted on the wall outside the black box. Please arrive at 5:30 if possible, as we plan to start running the show promptly at 6:00 pm. We have lot's to work on and clean up tonight. Everyone needs to bring their "A" game and their thick skins. Remember to stay focused and stay QUIET. There is a lot of running and running into other actors in our haste to make cues and costume changes. Be aware of your surroundings and be respectful of others.

### **TICKET INFORMATION**

We have sold over 60% of the tickets for opening night. The center section is almost full. If you are coming with a group and want to sit together, order your tickets before Friday.

Discount coupons (codes) only work for pre-show orders. We can not accept them at the door. It will be very hectic at the box office and there just won't be enough time. So please warn your friends and family to order in advance if they want to use your coupon codes. This was in original directions.

If you have friends and family that like to "walk in" encourage them to come to the Saturday shows. We have lots of seats available for the Saturday shows.

We also have over 100 orders filled and waiting at the box office for pick up. Please pick up your tickets!

### **BACKSTAGE PARENTS NEEDED**

We need parents willing to work backstage during all of the shows to help kids with quick costume changes and to help with the coordination of props. Please contact Meg Lawless or sign up at the box office if you can help.
