

Our first rehearsal was a huge success, and we hope those fun Oompa Loompa signs have made it to their proper front yard display location!

Reminders:

- Rehearsals on Tues-Thursday begin at **6:30 pm and go until 9:00 pm.**
- Please bring a plastic bin/tub with your name on it to store your costume. They will be placed in the Black Box for storage.
- Bring your notebooks and scripts

We have attached a cast contact list for your use. Please do not share this information beyond your family.

A note from the Directors: Your Act 1 lines must be learned by 6/23 and Act 2 lines must be learned by 6/30.

Box Office News:

We will be communicating the ticket sales "go live" date and time soon along with information about group discounts and cast sales. We anticipate that ticket sales will be brisk as a result of our change to assigned seats. All seats at Chantilly High School are good ones, but if you have a large group, and all want to sit together, we recommend buying the tickets early.

Thanks and see you tonight!
